Enamul Hoque, President and CEO of Hoque and Associates Inc., receives John C. Park Outstanding Civil Engineer Award

Sep 29, 2011

ADOT would like to congratulate Mr. Enamul Hoque, Hoque and Associates, Inc., for being honored with the **John C. Park Outstanding Civil Engineer Award** at the September 2011 Arizona Section of Civil Engineers (ASCE) annual meeting. Mr. Hoque was recognized for having contributed substantially to the status of the Engineering Profession by:

- Distinguished service in the field of Civil Engineering in Arizona;
- Significant contribution toward improving the professional aspects of civil engineering education or professional development and guidance of young civil engineers;
- Outstanding achievement in the field of professional advancement; or
- Other evidence of merit, which in the judgment of the Awards Committee shall have advanced the Society's professional objective

Projects cited during the ceremony included:

- Restoration of the Salt River
- Using an innovative approach for a 310 feet tall Airport Traffic Control Tower Foundation
- Handling difficult soil to construct one of the world's largest sea ports in Iraq
- Utilizing innovative technologies encompassing biological and sustainable slope design for a roadway embankment through a designated wetland in Arizona
- River bank stabilization utilizing sustainable technologies.
- Contributing to the establishment of one of the most modern geotechnical laboratories at one of the largest public Universities of the country, ASU
- Providing assistance for EWB and educational facilities in third world countries.

"I was humbled as this is the first time that a non-American born Asian received this award in this state." Enamul Hoque, P.E., D.GE, F.ASCE

Mr. Enamul Hoque, President
Hoque & Associates, Inc.
4325 S. 34th Street
Phoenix, AZ 85040

Dear Mr. Hoque:

Based on the information provided in your "Annual Update" to the Arizona Department of Transportation, your company is eligible to continue to participate as a Disadvantaged Business Enterprise (DBE) under Title 49 CFR Part 26 with the Arizona Unified Certification Program (AZUCP). This AZUCP certification provides reciprocity in the DBE program with the Arizona Department of Transportation, the City of Phoenix, and the City of Tucson in the below stated field(s) of work:

NAICS #S41380 (Material Testing Lab)
NAICS #S41330 (Engineering Services)

Each year you will be required to update your application with an affidavit and supporting documentation. (This annual update is good through June 30, 2011) We will notify you at least 30 days in advance of this requirement.

You must notify this office in writing within 30 days of any change in circumstances affecting your disadvantaged status, ownership, or control requirements, or any information provided in your application form. You must attach supporting documentation describing the nature of such changes. This notice must take the form of a sworn affidavit.

Your failure to submit your annual update or report the changes in your company shall be grounds for denial of certification or removal of eligibility.

We look forward to working with you in carrying out the objectives of the program. If you have any questions, please call this office at (602) 712-7761.

Sincerely,

A handwritten signature in cursive script that reads "Jamie Geist".
