President and CEO of Hoque and Associates Inc., receives John C. Park Outstanding Civil Engineer Award

Sep 29, 2011

ADOT would like to congratulate Mr. Enamul Hoque, Hoque and Associates, Inc., for being honored with the John C. Park Outstanding Civil Engineer Award at the September 2011 Arizona Section of Civil Engineers (ASCE) annual meeting. Mr. Hoque was recognized for having contributed substantially to the status of the Engineering Profession by:

- Distinguished service in the field of Civil Engineering in Arizona;
- Significant contribution toward improving the professional aspects of civil engineering education or professional development and guidance of young civil engineers;
- Outstanding achievement in the field of professional advancement; or
- Other evidence of merit, which in the judgment of the Awards Committee shall have advanced the Society's professional objective

Projects cited during the ceremony included:

- Restoration of the Salt River
- Using an innovative approach for a 310 feet tall Airport Traffic Control Tower Foundation
- Handling difficult soil to construct one of the world's largest sea ports in Iraq
- Utilizing innovative technologies encompassing biological and sustainable slope design for a roadway embankment through a designated wetland in Arizona
- River bank stabilization utilizing sustainable technologies.
- Contributing to the establishment of one of the most modern geotechnical laboratories at one of the largest public Universities of the country, ASU
- Providing assistance for EWB and educational facilities in third world countries.

"I was humbled as this is the first time that a non-American born Asian received this award in this state." Enamul Hoque, P.E., D.GE, F.ASCE

Connecting with Connect 202

As construction gets under-way on the South Mountain Freeway Project, Connect 202 Partners, LLC (C202P) continues its commitment to reaching the project's Disadvantaged Business Enterprise (DBE) goals. C202P has developed a DBE Spotlight Recognition Program and each quarter a DBE firm will be recognized for their outstanding contribution to the project.

C202P's 1st Quarter 2018 DBE Spotlight is awarded to Hoque & Associates, Inc. Hoque & Associates is providing Quality Control services related to the embankment compaction testing and drilled shaft CSL testing on the Project. Hoque & Associates integral to the embankment operations schedule, by completing compaction tests concurrently with placement to allow efficient scraper haul/placement in roadway fills. Their ability to provide timely testing and accurate reporting for CSL testing results is essential to maintaining the schedule for bridge substructure activities. Their willingness to work through report submittal question and provide additional documentation to close out test report submittals, has been instrumental to the completion of the Project. Hoque & Associates recently started supporting the design coordination quality process and have been a real asset in updating project design documentation and closing design processes. Congratulations!

Dear Enamul Hoque:

The Nevada Department of Transportation (NDOT) is pleased to announce that your firm was certified on [date] certified as a Disadvantaged Business Enterprise (DBE) in Nevada, under the Nevada Unified Certification Program (NUCP) in accordance with 49 CFR Part 26. Your certification number is N20053970NUCP, your firm is certified in Geotechnical Laboratory testing and Environmental Engineering Services on construction and is classified under the NAICS of: NAICS-541330: ENVIRONMENTAL ENGINEERING SERVICES
NAICS-541380: GEOTECHNICAL TESTING LABORATORIES OR SERVICES.

Your firm will be listed in Nevada's Certified Vendors Directory which can be accessed via the internet at www.nevadadb.com. As long as the firm is listed, it is considered DBE/SBE certified by all NUCP members from the Airport Authorities of Clark and Washoe counties, the Regional Transportation Commissions (RTC) of Clark and Washoe counties, Carson City Metropolitan Planning Organization (CAMPO) and NDOT.

DBE/SBE certification is continuous from the date of this letter, but is contingent upon the firm renewing its eligibility annually through this office. You will be notified in advance of your obligation to continue eligibility by submitting a No Change Affidavit (NCA). Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations and may result in your firm being decertified.

DBE/SBE certification is NOT a guarantee of work, but enables your firm to compete for, and perform, contract work as a DBE contractor, subcontractor, consultant, sub-consultant or material supplier on all USDOT Federal Aid (FAA, FTA and FHWA) as well as state funded projects in Nevada.

If, at any time, there is a material change in your firm, including, but not limited to, ownership, officers, directors, scope of work being performed, daily operations, affiliations with other businesses or individuals or physical location of the firm, you must notify this office in writing without delay and in no event in not more than 30 days from the change. Notification must include supporting documentation. You will receive timely instruction from this office as to how you should proceed, if necessary. Under 49 CFR Part 26.87, if NDOT or another party challenges the eligibility of your organization you will be notified in writing and given the opportunity to present your arguments against removal in an informal hearing. If after this hearing your certification is removed, you will have the opportunity to appeal that decision to the U.S. Department of Transportation.

NDOT reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE/SBE certification is subject to review at any time. Your firm hereby consents to the examination of its books, records and documents by NDOT.

If you have any questions, or if we may be of any assistance to you, please do not hesitate to contact us at (775) 888-7497, toll free 1-800-267-1971 or ndot@dbesystem.com. We wish you great success as a certified DBE.
